Had a discussion on getting our own website. We need to know how much it's going to cost before we make the move. Need to find a Domain and the cost. Pablo will check some contacts and see what he can come up with.

New Business: 2019 SQT - need to schedule a committee meeting to work out the details
For this week end's SQT Brian made a motion to not fish and send the 10 boaters and riders to the Semi Finals, Butch seconded it
The Federation website's contact list is out of date. Steve developed a spreadsheet with all the clubs names list and space available to enter the President's Name; Email address; and Phone number.
As it's passed around the room please fill in the required information so Steve can update the website
